### Outstanding Achievements

After more than 13 years of operation, SMiC has achieved many successes worth being recognised. Commencing as a consulting company operating in the field of investment and management consultancy, SMiC has now become one of the most prestigious law firms in Vietnam and gradually expanded into the regional market.

SMiC's client network now includes hundreds of large multinational and local corporations. SMiC's expertise and consulting services have been widely recognised as innovative combinations of extensive and in-depth understanding of law and business practices as well as culture and politics in Vietnam. SMiC's advisory capacity has been well-demonstrated through the success of many clients' hundreds-of–millions-of-dollar projects.

The presence of SMiC is not only in Hanoi but also in many neighbouring provinces. Opening the Branch in Ho Chi Minh City and the Representative Office in Singapore are important milestones in the regional integration process of SMiC to connect clients everywhere in Vietnam and the world.
